

AFRICA INLAND MISSION

10 WAYS TO SERVE

AIM has Hundreds of Exciting Opportunities for Both Short- and Long-Term Ministry.

Explore the Possibilities at

www.AfricanInlandMission.org/usa/serve

1

OUTREACH AND CHURCH PLANTING

Have a part in an AIM church planting team, doing direct outreach among Africa's unreached peoples. Consider AIM's unique 2 to 3 year TIMO program, that provides hands-on ministry training as you serve.

2

THEOLOGICAL EDUCATION AND DISCIPLESHIP

Invest in the lives and ministries of African church leaders who are hungry to learn more of God and to be further equipped. AIM has opportunities for ministry in a number of Bible colleges and seminaries.

3

CREATIVE ACCESS/BUSINESS AS MISSION

Start or be a part of a business in a nation closed to traditional missionary outreach, sharing the Good News with employees, business contacts, and neighbors. AIM can also place a broad range of professional people in Creative Access locations.

4

DIASPORA MINISTRY

Immigrants, refugees, international students: God is bringing Africa to our doorsteps through Africans living off the continent in cities like Detroit, Toronto, and Philadelphia. Join a team reaching out to these vast populations through AIM's Diaspora ministry.

5

YOUTH MINISTRY

With nearly half of Africa's population under the age of 15, opportunities to serve among Africa's youth are many. AIM's outreach teams often include a focus on youth ministry as part of their team strategy, and many AIM personnel engage with youth as a natural expression of life and work in their community of service.

6

TEACHING IN NATIONAL SCHOOLS

African secondary schools invite personnel to teach a wide range of traditional subjects as well as religious education, giving teachers an opportunity to invest in Africa's future, as they engage youth in and out of the classroom.

7

AGRICULTURE AND COMMUNITY DEVELOPMENT

Many African communities lack basic necessities like clean drinking water, a good supply of firewood, or nourishing vegetables from a healthy garden. If you have skills in Community Development or Agriculture, AIM has opportunities for you to make a difference in Jesus' name.

8

MEDICAL MINISTRY

From small rural clinics to large hospitals, we've got opportunities for a wide range of medical personnel to use their gifts and abilities to meet physical needs and to have a hand in making Christ known among Africa's peoples. Mental health professionals are also a vital need.

9

SUPPORT SERVICES

Help undergird AIM's broader ministry through a part on one of our support services teams. Support Service ministries include: Pilots, mechanics, IT personnel, counselors, administrators, and media personnel.

10

MINISTRY TO MISSIONARY CHILDREN

Africa Inland Mission is deeply committed to providing a broad range of quality educational options for missionary kids. Teachers, dorm parents, school administrators, support staff, and home school teachers all play an integral part in AIM's overall ministry.
