WHAT WE DO

► Equip Leaders

Nine out of ten churches worldwide are led by leaders who have not received adequate training

► Establish Churches

More than 3 billion people alive today have never heard the gospel, creating a need for more churches to share the gospel in word and deed

► Engage in Holistic Ministry

Nearly 800 million people do not have enough food and clean water for a healthy life, and there are an estimated 20-30 million human beings held in slavery today

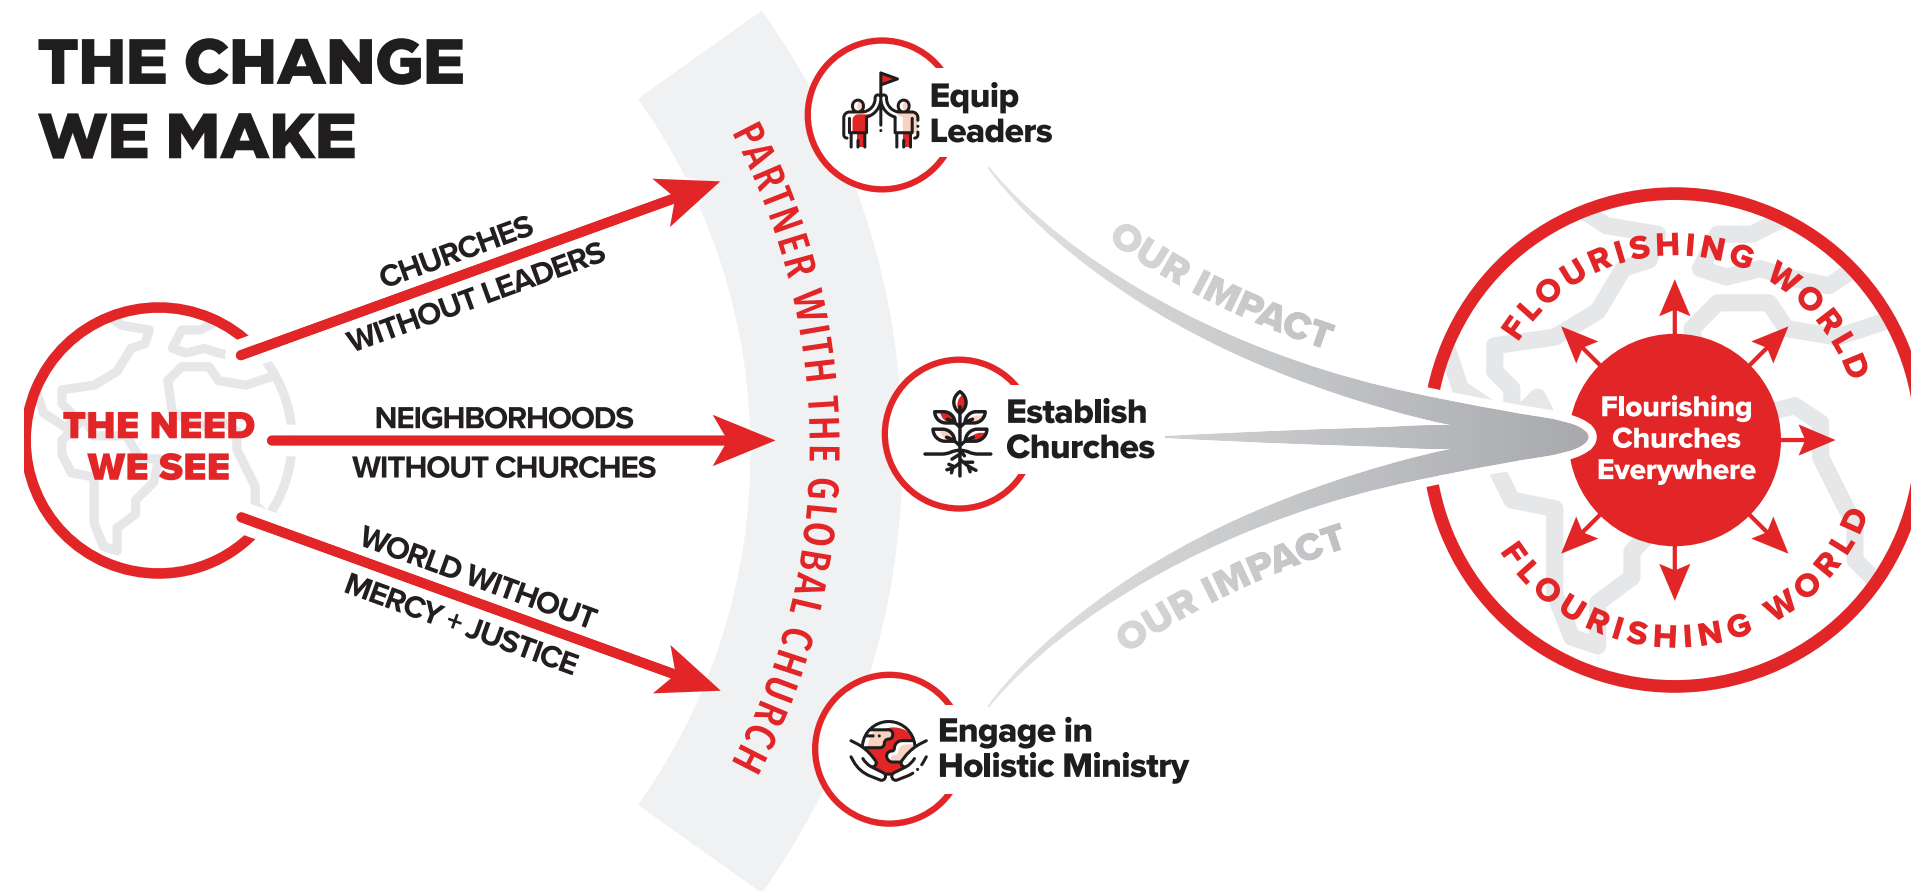

OUR MISSION

To equip leaders, establish churches, and engage in holistic ministry by partnering with the church globally.

OUR VISION

To see a flourishing church, led by well-equipped local leaders, serving every city and neighborhood of the world.

THE CHANGE WE MAKE

HOW WE DO IT: BY PARTNERING

We partner by connecting well-equipped **missionaries**, North American **churches**, and **donors** with brothers and sisters in Christ from many nations to impact the world together.
